Foundation Paper Piecing - 9" blocks

Print one copy of the pattern for each butterfly you plan to include in your quilt.

Fabric requirements for ONE block:

Body - 2" x 4" dark fabric

Upper Wings - two pieces 6" x 7" bright color

Lower Wings - two pieces 4" square, same as upper wings or another bright color

Background - 5" width of fabric strip subcut as follows...

A1, B1 - 4"

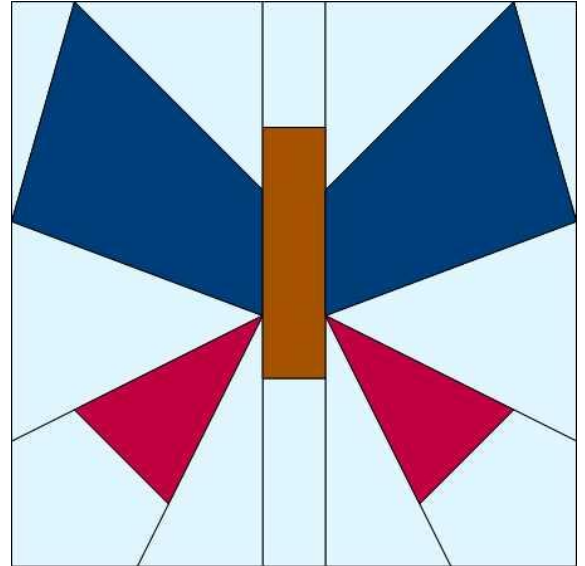

A4, B3 - 5"

A3, B4 - 5"

A7, B6 - 4"

A6, B7 - 5"

C2, C3 - 2"

Start by sewing A1 and A2, then add pieces in numerical order.

Remember the 4 steps to paper piecing: 1) Fold, 2) trim, 3) add a piece, then 4) sew.
